WORKING BEES

The club holds periodic working bees to maintain grounds and equipment and prepare for events. It is expected that all members contribute through their attendance. A refundable working bee levy is charged at the beginning of each year. This levy will be refunded if 5 working bees are attended or equivalent time contributed in other duties by an adult member of the family.

My family/I prefer to (tick whichever applicable)

- Attend 5 working bees (event and/or maintenance)– Saturday mornings as per calendar.
- Be rostered for grounds/cross country course maintenance (times to suit)
- Perform alternate activities by arrangement with management committee. (duties could include cleaning, maintenance, or specialist work) Indicate here any specialist areas you can assist the club with (ie. Trade, etc)
-
- Any or combination of above

CANTEEN ROSTERS

The canteen is a form of fundraising for the club and opens at musters and event days. Unless a member of your family is on the Instructors Panel or the Executive Committee you will be rostered for canteen duty.

- An adult member of my family will attend 2 canteen rosters (in addition to those that may be designated as a job at an event).

MUSTERS

- I/we are willing to assist with set up and pack up of equipment on Muster days.

EVENTS

We offer a wide range of events at our club which gives our riders a great opportunity to compete. They also enable us to showcase our club and at the same time earn much needed income by way of nominations, raffles and canteen sales. Of course they also need plenty of people to make them possible and we require that each rider who is competing supply one adult worker at the working bee as well as at the event. Event duties are varied and may include canteen duty.

For planning purposes, please indicate which events you think you/your family may compete at.
