

Samford Golden Valley Pony Club

Membership 2012 - Revision A

Dear Members,

Membership Fees for 2012 have been determined by the Management Committee and will be as per the attached sheet.

Please note that PCAQ have raised their Insurance Premiums to \$65-00 for Riding Members and \$25-00 for Social Members.

It is our intention to encourage all of the children in our area to participate in Pony Club and if any family has any financial difficulties please contact either the Treasurer or Membership Officer to discuss special discretionary help that the club may be able to offer.

All families (Other than Senior Associates) will be required to fulfil Working Bee Rosters & Canteen Duties

The exact hours to be worked will be determined by the 2012 Management Committee but it is anticipated that it will be in the order of 15 Hours of Working Bees and two Canteen Rosters per family.

There will also be an option to forfeit your Levy upfront and not be rostered for Working Bees or Canteen (*This excludes Event Working Bees and Event jobs which may include Canteen Duty*).

A calendar will be available at our sign on days to nominate your preferred dates for Canteen Duties. *If no dates are nominated the roster will be drawn up and advised during February.*

Competitions and Events run by the club involve quite extensive additional work and in 2012 any competitors will also be required to provide assistance in preparatory work prior to or after the competition of the event in addition to the working bees above.

There will be two Sign On days as follows:-

Saturday November 26th. 2011

Saturday January 28th. 2012

Please note that if you intend using the Club facilities in the Christmas holidays you **MUST** sign on in November as your PCAQ Insurance and Club Membership will expire on December 31st. 2011.

As many members of our Committee are unavailable during the holiday period Membership applications will NOT be accepted outside of these dates.

It should also be noted that the first Muster of the year is a very busy time for our Committee and if possible Sign On should be avoided on this day.

It has also been decided that all outstanding debts to the club incurred in 2011 must be paid in full prior to the club accepting membership applications for 2012.
