## Wanted!

Our fantastic Karen Tonkin has decided to become an instructor this year and we need someone take over the running of the canteen.

There is no purchasing involved in this job, just coordinating helpers for muster days.

If you would like to know more information contact Karen on email

[karen.l.tonkin@bigpond.com](mailto:karen.l.tonkin@bigpond.com)

or just as on Sunday while you're there.

check club calendar  
for more events.

**Nominate now for the  
Samford Dressage and  
Combined Training  
day.**

For Samford members, if you have your nominations in by 6pm this Friday 11/2/11 we can still squeeze you in. This is the first event to be held at our club, come and have a go! If you are unsure about rules or weather to nominate – ask an instructor at the muster on Sunday.

**Notice:**

There was an incident of a flasher at the club a couple of weeks ago. The person was later arrested however it's a timely reminder to be diligent if using the grounds alone or outside of muster times.

*Please give these fantastic volunteers our support.*

**Lets start the new year off by ensuring that the pony club gates are locked as you leave, preventing any unauthorised use of our grounds. Every paid member has a key, please help by keeping the grounds locked at all times!**

**Do you know your PIC Number?**

A PIC number is your Property Identification Code and every property with horses on it should have one. As Pony Club Qld, Zone 1 and our Club look more seriously at protecting our horses this will soon become a necessary part of membership. It's easy and free to get, just contact the Department of Primary Industries. If you agist your horses we highly recommend getting the PIC of that property.
